

Our Ngākau Values at Cargill School

The values we adopted are from the Māori Achievement Collaborative (MAC) and *Te Whare Tapu o te Ngākau Māori* focus on guiding students to succeed with a strong cultural foundation. They support Māori learners and encourage all children to grow and achieve together with respect and a shared vision.

At Cargill School we believe that the students develop a commitment to each other, foster strong relationships and understanding when they are immersed in these values.

Ngākau are emotions

Ngākau Kaitiaki as custodianship

Ngākau Manaaki as nurturing

Ngākau Māhaki as humility, compassion, generosity, service, sacrifice

Ngākau Whānau as kinship
