Term 4: 6 Oct - 18 Dec

Cargill Community

18 August - Numicon Maths

Cargill Strategic Plan

We are required to explore a strategic plan for the next three years and we have held a "Whanau Ako Day" in the past, where your children have shared their year's learning with you. This will be an opportunity to talk with your children, staff and board in Term 4 when an invitation will be sent out including a shared kai. Here are some questions - what do you want for your children at Cargill School? Changes?

Futsal Indoor Soccer

Futsal is fast becoming a popular indoor 5-a-side soccer game played on a basketball sized court with 3m wide by 2m high goals. Each game has two 18-minute halves. A local school Futsal competition will be run in **term 4, 2025, on Thursdays from 4:00pm to 7:00pm** at the South Waikato Sport and Events Centre in Tokoroa. The competition is scheduled to run for eight weeks, starting **October 9** and finishing November 27. It will be a mixed competition (at least two girls per team). It will be a mixed competition. We will have two 8th Grade (up to year 4) and a 10th Grade (up to Year 6) if there is interest and coaches please. Notices to follow later.

Board Election Results

Congratulations to Tammy Winter as our staff representative and Lea Solomon as the 3 year term board. Please know there are one to two other vacancies available and our return officer who can pass information and forms on to you. Please contact the office.

Attendance

The government is expecting all children to be at school unless sick. Lately we have noticed a rise in students who are constantly showing patterns of absenteeism and/or lateness. This has affected a significant rise in learning and behaviour issues as your children become less adjusted to class routines or learning expectations. These affected families will receive a letter to inform the reasons and statistics of proof.

Student of the Week Certificate Winners
