

10.03.25

Kia ora whanau

Due to the “pop up” pool at the Events Centre being unsuitable for our smaller children and the limited space for the rest of our school, we have decided to cancel these lessons this week.

We have decided to take an alternative bus trip to Rotorua where there are new indoor pools for the children to take lessons at the end of term.

Please know we are still enthusiastic to learn swimming lessons but they will be in a more suitable and safe environment for our children.

We will let you know when we have arranged an alternative plan which will be the last week of term.

Thank you all for your support and patience,

Donna Jones

Principal
